As a kid were you more likely to ring doorbells and run, or tell on kids who did?

Bells don't play a big role in the Scriptures. How did they come to be placed in bell towers and what messages/purposes did they serve?

In 2 Thessalonians 3:1 Paul calls believers to pray that the gospel spread rapidly. Talk about what your group could do to make that a greater reality.

Have you ever heard someone share the gospel in a weird way? What was off in the way they talked?

From I Corinthians 13:1 Paul tells us we can come off others like a resounding gong or a clanging cymbal. Combining that passage with Colossians 4:5-6, what key ingredients and attitudes need to be present when we share the good news? Keep these in mind as you pray for friends.

What's does the word "gospel" mean? What were some of the places or ways the word was used originally?

Why would the Scriptures boldly announce that the arrival of Jesus meant good news? Mark 1:1 and Acts 10:36

Let's look 2 Corinthians 5:17-21.

What makes Christianity so different from all the other world religions?

What's the old and what's the new?

How are we all on even footing at the cross?

How does reconciliation happen? Who does it?

What big mistake did Bob confess? How is God not like an insurance company?

What's working well in your role as Christ's ambassador and what needs some attention?
