1. *According to Jesus, what's the mission of the church? See Matthew 28:16-20 and Acts 1:8. What's the tradition behind how the gospel came to Spain?*
2. *During the Middle Ages why did people go on pilgrimages? What made the Camino unique? How was it different than the other pilgrimages?*
3. *There are numerous churches along the way were known as hospitals. How is their purpose similar or different to modern day hospitals? How does Cornwall carry act like a hospital today?*
4. *What grabbed Bob about Church Guendelain: (the one with the high tower with wheat fields in front)?*
5. *If you were walking with Bob and had been in his discussion with Sally, the hospital chaplain, what would you say to the question about does God want churches to die?*
6. *How did the inscription above the cemetery, "As you are, I once was; As I am now, you will be", impact him and how does that related to Revelation 3:1-2? "I know your deeds; you have a reputation of being alive, but you are dead. Wake up! Strengthen what remains and is about to die."*
7. *Iglesia de St. Martin was consecrated in 1066. According to the tourist guide, "It was de-consecrated, painstakingly restored and declared a national monument all in the same breath...turned it into a must-see tourist site and it appears to have lost something vital in the process." What's disturbed Bob here?*
8. *What is consecration and how does a church lose it?*
9. *What about Vincent Van Gogh's "Starry Night" reflects the danger the church faces?*

10. *The church in Spain held a prominent place politically and in religion. How does Jesus picture the prominence the church? See Matthew 5:14-16.*
11. *The thing Bob walked away with from the Camino, was, "For the rest of my life I want to point people to Jesus. How do Rob Wurm and the guys in his group keep the fire, the light and faith going, in their community?"*
