

**Series: DOERS**

**Title: Essential**

**Speaker: Scott Moon**

**Date: November 24-25, 2018**

1. What have you learned or what has helped you the most through the DOER series?
2. James was nicknamed Camel Knees because of his constant prayers. Not surprisingly he ends his book calling us to prayer. The theme however, is becoming a doer. How does prayer fit with doing?
3. Have you ever thought of singing as prayer? Why is singing so good for us neurologically and spiritually?
4. Look at James 4:15, James 5:7, 10 and 14-15. Is it a cop-out to pray in faith for healing and then say, "Thy will be done"?
5. How did Scott's friend John illustrate being kingdom minded when sick?
6. Why is hard for us to ask others to pray for us?
7. Looking at James 5:13-16, agree or disagree with the following. "There is something on the inside that cannot be healed until something on the outside happens and that is opening up and saying what's not right."
8. Have you used the Prayer Wall?
9. Elijah asked God to withhold rain and the Lord did for 3.5 years. Have you ever prayed a "hard" prayer for someone to hit rock bottom?
10. Over the past year how has your prayer life developed or gone backwards? What's changed?

NOTE: Set your alarms to 12:23 and pray for Skagit and/or for 12:24 to pray for B'ham Christmas Eve Services. More on prayer to come next week.
