

Series: UNIFIED**Title: This Not That****Speaker: Bob Marvel****Date: August 10-11, 2019**

1. If any of you went to the Summit, can you give the group one takeaway? Thanks for praying for the Monroe team!

Read Ephesians 4:17-32.

2. Bob mentioned loving to wear old out of date clothes (as a lot of us men do). Are you like that and does anyone harass you (inform you) about that?
3. What is one behavior you have put off and one have put on since you've been following Jesus?
4. How do we recognize that some habit is no longer becoming or worthy of our new life?
5. Think of the Gentiles as "the crowd". How well do you connect with people without compromising your relationship with Jesus?
6. From Ephesians 4:17 and John 3:19-20, what's the real source of our wrong living?
7. Verse 18 warns us about become callous towards God or dull when the Spirit convicts us. How would you describe what that it's like when God's Spirit convicts you? Can you give an example?
8. Paul mentions that the old self doesn't like to go quietly, that is being corrupted verse 23. The old grave clothes may still feel familiar. From verses 23 & 24, how do we counter the pull, the old way of living? What strong language did Bob use to make this point?
9. Paul lists some of the old vices we are to throw off and the virtues we're to put on. Tell the group which wardrobe change you need to make first.

From- this	to	that
25 - Lying		Truth
26 - Anger		Peace
28 - Theft		Generosity
29 - Inappropriate language		Encouragement
31-32 - Revenge		Forgiveness

10. How does Ephesians 4:30, "And do not grieve the Holy Spirit of God, with whom you were sealed for the day of redemption", make the call to live worthy even more compelling?
