Read Ephesians 5:17-33, 6:1 & 9

1. When you look at these passages, what is the evidence that someone is filled with the Spirit and where is it most illustrated?
2. When you think of submission in general, and then submission in marriage, what comes to your mind?
3. When Paul talks about submission, what does he mean?
4. In verse 21 who is supposed to submit?
5. From what Scott noted in the gospels and from Philippians 2:5-8, how did Jesus model submission?
6. What's the difference between subordination and submission?
7. What's the difference between a husband who leads and one who and manipulates?
8. First-century husbands were "Little Caesars", total masters, with the power of life and death. What characterizes a husband who is a "Little Christ" from a "Little Caesar"?
9. A young husband asks, "How can I develop radiant spirit in my wife?" See verse 27. What would you tell him?
10. How can a single person make use of these commands to married people?
11. What's your take away from the message?
