Title: Man Oh Manna!
Speaker: Kip McCormick
Date: July 11-12, 2020

grum·ble - *verb*: to complain or protest about something in a bad-tempered but typically muted way.

1. Read Exodus 16:1-4 and verses 27-33. What made the newly freed slaves so cranky? What turns you into a crank?
2. When you get put out by someone, how do you decide whether to say something or keep quiet?
3. What advice did Kip give about "good" complaining verses raising a concern, and what did you think about it?
4. How does Jesus explain the familiar story of the manna in an entirely new way? See John 6:35, 38, 41, and 48-51. From that, what's "scoop and stoop?"
5. What do you think of Jesus seeing people like Moses as a kind of template of himself?
6. "What you digest in your mind is what fills your heart." How do we "eat" this bread or stoop and scoop? (List some tangible ways.)
7. What 'junk food' do you need stop eating to make room for the true Bread?

The new song we sang is "The Blessing" by Kari Jobe taken from Numbers 6:22-27.

8. What impresses you here? What generational blessing are you planning to leave for "the generations to come"?

Finally, think through these quotes:

9. “You’re not defined by your last mistake. You’re defined by how Jesus sees you.”

10. “If life is worth living, it’s worth recording.”

Remember, while leading 2,000,000 grumbling slaves through the wilderness, Moses found time to write the first five books of the Bible.
