1. Read Luke 22:14-15. How does it strike you that Jesus loves your company, especially at communion?
2. How does Luke 22:24-27 take the luster off our ideal view of the last supper?
3. Humility is now a business virtue. "*A Level 5 leader is an individual who blends extreme personal humility with intense professional will.*" – Jim Collins *Good to Great*. When in history did humility move from shame to virtue? See John Dickson Humilitas

Read John 13:1-17.

4. Looking at verse 3... Jesus knew he had all power and this was his last meal. Imagine that you had that power. You see Judas sitting just feet away. Peter will deny you shortly and Pilate will order your death. What would you do with that power?
5. How did Jesus lead the disciples from hubris/pride to humility?
6. How did this act meet a need, set an example and foreshadow an event?

*Jesus led with the example of his power or with the power of his example.*

7. What's the V pattern of Jesus' ministry? Hint: M \_\_\_\_\_y, h \_\_\_\_\_y, to gl \_\_\_\_y.
8. How does Paul summarize this in Philippians 2:5-11? "*Precisely*" because he was God...
9. What's the blessing Jesus invites us to give?
10. Finally, what if the next time and every time for that matter when we meet Jesus at the Lord's Table, we picture him washing our feet?
