**Acts 1:11**

The strategy Jesus chose to save the world was to use His disciples and subsequently His Church. What do you think about that strategy?

(Acts 1:4) If you were a disciple, what might you be thinking when Jesus said, “Do not leave Jerusalem, but wait for the gift...”?

(Acts 1:8) What did it mean for the disciples to be witnesses? To what were they supposed to witness? How did Jesus prepare his disciples for the mission?

What is the ultimate mission of the Church? How would you put it in your own words if a friend were to ask you? How would you describe your role as a follower of Jesus in that mission? How has He prepared us?

What prevents us from being effective witnesses? Do we, like the disciples, have concerns, perspectives, or priorities that restrict us or distract us from effectively fulfilling our roles as witnesses?

What would need to change in our hearts and lives for Jesus to effectively advance the kingdom through us?

(Acts 1:9) If you were a disciple, what would you be feeling as you see Jesus floating away from you?

What is one thing in Pastor Bob’s sermon that stuck out to you personally and why?
