### MESSAGE TAKEAWAYS:

- Some storms can be avoided.
  - God's promises are an anchor.
  - *"There's a difference believing in God and believing God." – Chris Brown*
- 

### DISCUSSION QUESTIONS:

- As we saw starting in Acts 27:13, storms happen. Some can be avoided and some cannot. Are there times in your life where you have faced storms that could have been avoided? If so, did you learn anything about God from them?
  - Is it harder to face storms you may have put yourself in? Or storms that just seemed to happen?
  - Pastor Bob made a very convicting point when he stated the difference between believing IN God versus believing God. What are some practical daily rhythms, (aside from church and small group) that you do to anchor yourself to God's word in order to not only believe in Him, but also believe Him?
  - Time is precious and many of us have busy and demanding schedules. What encouragement or advice would you give to other believers who may struggle to build these habits?
  - Why is it easier to Believe in God, rather than believe him?
  - How has God been a refuge for you during the difficult seasons in your life?
  - Job 42:2 says "I know that you can do all things; no purpose of yours can be thwarted." God is always working in the storms and redeeming them. How has God worked and moved through your storms to redeem them?
- 

### NEXT STEPS:

- Identify a verse or passage in the Bible that is/can be your anchor during storms.
