### MESSAGE TAKEAWAY

- Christ alone is enough.
- 

### DISCUSSION QUESTIONS

- What stood out to you the most in today's sermon?
  - In writing his letter to the Church in Colossae, he wrote that we are set apart for God's purposes. How does it feel to hear that?
    - Do you feel set apart for a specific purpose?
    - How do you live that out?
  - Paul also wrote to them that God is preeminent. He is the King of Kings, the Lord of lords, the only true God in a culture full of many gods and deities. During this time, this was not received well by all of the people and seen as politically incorrect. This situation could draw comparisons to today's culture and time.
    - Why do you think that throughout time, God being everything, the ultimate ruler, has been hard for people to accept?
  - Pastor Bob also reminded us that our place in this world is not as important as our position in Christ. What does this statement mean to you?
  - Is it easier for you to live in a worldly position or to live in our position with Christ? How can we encourage each other in this?
