MESSAGE TAKEAWAY

You don't "go to" (church) you ARE God's house.

DISCUSSION QUESTIONS

- How would you reply to someone who says that you are crazy for believing what you believe, and doing what you do (going to church, following Jesus, etc.)?
- Paul explains in 1 Corinthians 3:16-17 that we are God's temple. How do you feel about God dwelling in us, as we are the Church and not a physical building?
- In what ways are you representing the temple of God in life? Is this a strong foundation for the Church and temple of God? What is the purpose of being a part of God's temple?
- How can you share the love of Jesus with your community?
- How can you be a "brick" in your church?

NEXT STEPS

For reflection: What would Cornwall Church be if it were just like me? Ask God what one thing He might be asking you to do differently to **be** the church?
