DISCUSSION QUESTIONS

Do you ever wonder how Pastor Bob remembers all the facts and stats he does without notes?

Why do you think Jesus often answered questions with questions?

Why do you think it's so difficult for us to respond to questions with a question versus making statements with our opinions and beliefs?

Think of a season of life when you questioned if God cared and if he would be there for you. How long did it take for you to realize His abundant love for you?

The greatness of God is unfathomable if you were to describe His greatness to a new believer, what would you say?

God has shown His greatness to all who have eyes to see. At what point in your life did you begin to see the work of God's mighty hand?

With God's hands being so infinitely and undeniably amazing, why do we often need to take control of things on our own?

What feelings do you have when you think of how great God is?

Once we accept how small and insignificant we are in the universe, how does it make you feel that God even knows the number of hairs on your head?

NEXT STEPS: What is your biggest question for God right now? Write it out and put it in your Bible, find a verse you can pray over your question and believe God will reveal Himself to you as you seek Him faithfully.
