DISCUSSION QUESTIONS

- When have you heard someone say, “there are two kinds of people in the world,” and what did they say next?
- What was Bob attempting to illustrate when he told the story of backing into “the Law” with his truck?
- What was “hanging in the balance” when Paul met with the church leaders in Jerusalem in Acts 15?
- What is so good about the Good News Paul was teaching to the Jews of his day?
- What was the difference between the message Paul preached and the message of the Pharisees in Acts 15:5?
- Jesus’ death on the cross bought freedom from the Law for us. Why is that an important truth to you?

NEXT STEPS:
