

Wisdom is finding out what you should do and doing it.

Read: James 3:13

DAY
1

Would You Rather

Play a game of Would You Rather with your family. Ask each other questions to see what everyone prefers. Some topics you can focus on are family, faith, and fun. Grow deeper in your family relationships by getting to know each other's likes and dislikes and more through this game!

For example, "Would you rather eat dinner at home or eat at a restaurant?"

THANK God that we can learn more about each other.

DAY
3

Wise Choice

James 3:13 talks about living your life wisely. Live wise by how you talk to people and how you treat them. Read this week's verse and talk with your adult about how you can live wisely.

LOOK for ways that you can be wise this week.

DAY
4

Searching for Wisdom

We can grow in wisdom by reading the Bible, praying, and talking to others who are wise. Ask God to come beside you and help you grow in wisdom.

~~~~~  
 "Dear God, thank you for sending Jesus to be such an amazing example of wisdom. Please help me to continue to grow in wisdom and help me see wisdom in others, too. Help me live a wise life that shows others You through me. I love you. In Jesus' Name, I pray. Amen."  
 ~~~~~

KNOW that wisdom comes from God.

DAY
2

On the Search

Design and create some binoculars or glasses using craft items you have around your house. Carry your creation with you throughout the day. Look through them, keeping an eye out for people who are making wise choices.

ASK God to help you see chances to be wise.

Wisdom is worth searching for.

DAY 3

Read Proverbs 3:13

When you lose something, what do you do? You search for it! You retrace your steps, look around every corner, and even call on family and friends to help. And when you find it, you feel relieved. You might even celebrate!

We all want to make good decisions—the kind of decisions that lead us in the right direction. So where do we look? You’re already on the right track. By opening God’s Word today to read Proverbs 3:13, you’ve found the best source of wisdom around. God has given us wisdom in the Bible to help us know how to best live our lives.

Worth The Search

Grab some masking tape and your Bible. Write “Got ?’s” on the masking tape and stick it to the front of your Bible. The next time you have a question that requires wisdom, search God’s Word. If you’re having trouble finding the answer you need, enlist a trusted adult to help you.

DAY 4

Read Matthew 7:24

Have you ever built a sandcastle? What happens when the tide rolls in or a rainstorm hits the playground? Jesus told a story about two builders. The foolish man built his house on the sand. When the rain came and flood waters rose, his home was destroyed. The other built his house on solid rock. When the storms came, it was safe and protected because its foundation (base) was strong.

When we look at the life of Jesus, how He treated people, what He said, and the way that He lived, we find wisdom at every turn. Jesus showed us how to live wisely. When we follow Jesus’ example, it’s like building a house on a strong foundation.

Scripture Search

Look up the following verses and write down what Jesus said in your own words. Then circle the command you want to put into practice this week as you grow in wisdom.

Luke 6:27

Luke 6:28

Luke 6:29

Luke 6:31

Wisdom is worth searching for.

Spend some time thinking about the question below and journal your thoughts or share them with a parent.

Handwriting practice lines consisting of a solid top line, a dashed middle line, and a solid bottom line, providing space for journaling.

Day 1

After watching, write one thing that:

Visit cornwallchurch.com/children to watch this week's episode of Explorers League!

Even if you already saw it at church, feel free to check it out again!

1. You liked:

2. You learned:

3. You'd like to know:

Day 2

Read Luke 2:41-52

As you read Luke 2:41-52, track the separate journeys of Jesus and His parents using two different colors in your Bible. If you are using a Bible app, you can grab a sheet of paper and two different colored writing utensils. Write Nazareth on the left side of the paper and Jerusalem on the right, then draw lines back and forth representing the separate journeys Jesus and His parents took.

There were a couple of different searches happening in this story in the book of Luke. What were they?

Answers: Jesus' parents searching for Him, and Jesus searching for wisdom in the temple

Day 3

Jesus went to talk to the Jewish teachers in the temple—a place He referred to as His “Father’s house.”

What’s really awesome though is that we don’t have to go anywhere special to learn more about God. We have God’s Word always available to us, and we can also talk to God wherever we are, whenever we want to, to ask for wisdom. Pray this prayer below or say your own prayer asking God for wisdom.

~~~~~

**Dear God,** thank You for making Your wisdom available to me through Your Word. I am so thankful that if I don’t know what to do, all I have to do is turn to Your Word and talk to You to find Your wisdom. I want to make the wise choice, so please give me Your wisdom. In Jesus’ Name, I pray. **Amen.**

## Day 4

---

### Find three people today who you think are wise and ask them this question:

#### What does it mean to be wise?

Write their answers down.

Then find three more people and read one definition you received from the first group to each person. Ask them what word they think you’re defining. How many people got it right? \_\_\_\_\_

## Day 5

---

### Wisdom is worth searching for.

Sometimes you have to make a quick decision and you have to work quickly to figure out the wise choice. Making a plan beforehand can speed up your search and have you ready to dive deep into wisdom! Grab a sheet of paper and write out the following:

#### MY MAP TO WISDOM:

Wise words:

---

---

Wise friends:

---

---

Prayer for wisdom:

---

---

Next, fill in the blanks. Next to wise words, write out 2-3 Bible verses that help you find wisdom. (Hint: James 1:5, James 3:13, Proverbs 13:10, and Ephesians 5:15-16 are good places to start.) In the blank for wise friends, write down 2-3 friends or family members who you can turn to for wise advice. Lastly, write out a prayer for wisdom, leaving blanks for specifics so you can adjust the prayer based on the situations.
