

Deep Dive: There's always more to explore

Wisdom is finding out what you should do and doing it.

MEMORY VERSE

If any of you needs wisdom,
you should ask God for it.
He will give it to you. God
gives freely to everyone and
doesn't find fault.
James 1:5, NIV

Prayer

"Dear God, thank You that You love us so well. You are fair and truthful and kind. Thank You that You want us to love each other well too. Please show us where we have planks in our eyes so we can see more clearly. We want to love people fairly and well like You do. We love You, Jesus, and we ask these things in Your name. Amen."

ENGAGE IN EVERYDAY MOMENTS TOGETHER

Morning Time

As your kid starts their day, tell them something about them that you think is wonderful. (Try to focus on who they are, not something they do.)

Meal Time

At a meal this week, have everyone at the table answer this question: “Tell us about a time when you had a choice to make, and you made a wise one. How did it make you feel?”

Drive Time

While on the go, ask your kid: “Tell me something good about yourself.” (If they can’t think of anything, offer some of your own. Also affirm what they say.)

Bed Time

Pray for each other: “God, may we always remember Your great love for us, and help us to make wise choices because You know what’s best for us.”
