

Week 6

Small Group Discussion Questions

Finding & Following – the book of James

Getting to Know You:

These questions are designed to help you get to know other people and share a little bit about your life.

1. Have you ever bought an “As Seen on TV” product, excited for it to live up to the promises on the box, but found that it didn’t work as expected?

2. If you could travel back in time to meet a truly wise person, who would you choose, and what would you hope to learn from them?

3. Organize the five categories below according to your level of knowledge and wisdom in each one.
 - Relationships
 - Health and fitness
 - Personal Finances
 - Career and work
 - Time Management and productivity.

Which areas would you like to grow in? How did you gain wisdom in the areas where you feel most confident, and what are some ways you could share that wisdom with others?

4. Read James 1:5-6. How does prayer play a role in gaining wisdom from God, and how often do you pray specifically for wisdom?

5. Read Colossians 4:5-6. How does Godly wisdom influence how you interact with others, especially those who do not believe in Jesus?

Application Questions:

The goal is life transformation, not simple discussion. This is how we live out this week's teaching.

1. If insanity is doing the same thing over and over while expecting different results, then wisdom could be defined as recognizing what isn't working and making the necessary adjustments. What shifts in your heart and/or mind would help you embrace more heavenly wisdom in your life?
